

Help Children, Seniors and Families Donate Your Vehicle

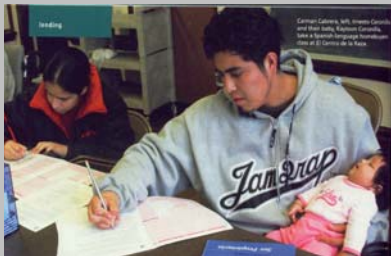

Your car, motorcycle, truck, RV*, or boat* could help a child, senior or family get the services that they need in order to finish school, obtain permanent housing or maintain quality of life. Proceeds from vehicles donated enhance the critical services that over 11,000 people get from El Centro de la Raza. You can also reduce your taxes based on the sale value.

Criteria for successful donation:

- ☐ Cars that can be driven to El Centro of years 1990 or later with fewer than 200,000 miles
- ☐ Cars in need of minor, low-cost repair work
- ☐ Must not have engine or transmission damage
- ☐ Certain cars that are not running, depending on make and year (call and check)
- ☐ Must have the title and keys for the car

When you're ready to donate your vehicle, you may call us at (206) 957-4652 or send an email to usedcar@elcentrodelaraza.org.

**For RV's and boats, our hauling partners will need to inspect the vehicle first before accepting it.*
